

REMARKS

Consideration and allowance of the subject application are respectfully requested.

Claims 1-26 are pending in the application. Claims 1 and 3 have only been amended to remove reference numbers and redundant usage of "said." No claims have been amended to change the breadth thereof or to overcome prior art. Basis for new claims 4-26 can be found in the originally filed application including at original claims 1-3. The full doctrine of equivalents applies to each claim element.

Early and favorable action on the merits are respectfully requested.

Respectfully submitted,
Manelli Denison & Selter, PLLC
